OUR REQUEST:

The basic objective of this company is to create self-income by creating employment through entrepreneurship and to make indigenous product oriented consumers being aware about their health. Hence, we request all our distributor not to present yourself only as a sales motive persona forcefully to the consumer but also try to build a consumer society accordingly, realizing that every citizen has a responsibility towards the right use of their money and self-reliant economy.

OUR REQUEST:

- All distributors are requested to sincerely obey the rules of Direct sales (Management and regulation Act 2018 and rules 2019) issued by the Nepal government along with the guidelines and clause of the company. Company will not be responsible for not doing so.
- Our products does not subject medical claim. The products acclaim nutritional benefits

Wish you all the best and good luck with your team....!
